

4.6.1 Frequency

Each Periodicals publication must be issued at a regular frequency of at least four times a year.

4.6.2 Statement of Frequency

The publisher must adopt a statement of frequency showing how many issues are to be published each year and at which regular intervals (for example: daily; weekly; quarterly; four times a year in January, February, October, and November; weekly during school year; monthly except during July and August).

All issues must be published regularly as called for by the statement of frequency. To change the number of issues scheduled or the statement of frequency, the publisher must file an application for reentry.
